Helping People to Help Pets

FIREWORKS? BE PREPARED!

BEFORE FIREWORKS

- [ ] Walk and toilet dogs before fireworks begin.
- [ ] Bring cats indoors; secure doors, windows and gates.
- [ ] Close curtains or blinds and spray resting areas with a calming product.
- [ ] Keep familiar resting and hiding places accessible.

WHEN FIREWORKS START

- [ ] Remain calm and behave normally.
- [ ] Let your pet choose where to settle.
- [ ] Offer calm reassurance if they seek it.
- [ ] Use familiar, predictable background sound.
- [ ] Use calming products already chosen for your pet (Adaptil, Feliway or Pet Remedy).

IF YOU ARE GOING OUT

- [ ] Keep something to cover your dog or their crate, and a calming spray, in your vehicle.
- [ ] If caught outside, keep your dog on the lead and move away from the noise.
- [ ] Return to your vehicle or a safe place.
- [ ] If covering a crate, ensure ventilation.

UNEXPECTED FIREWORKS / THUNDER

- [ ] Secure exits and close curtains or blinds.
- [ ] Let your pet choose a familiar place.
- [ ] Keep the home calm, but not unusually silent.
- [ ] Offer occasional calm reassurance without repeatedly disturbing your pet.
- [ ] Use a calming product or spray as soon as possible.
